

Learn About Law

We are proud to offer more than 100 knowledgeable attorneys serving as speakers for your Houston area school, church group, senior citizen group, civic club, and business organization. This is a community service and there is **no cost to your organization**.

We can organize a **FREE**, informative, and interesting presentation on a variety of legal topics to help your group learn about their rights, the law, and the legal profession.

**To schedule a speaker for your group, please call the
Houston Bar Association Community Education Office today.**
