NIGHT COURT

TWENTY

ONE NIGHT TWO DECADES IN THE MAKING

Join us for an evening of entertainment, remembrance, celebration and laughter as the Night Court project turns 20. The one-night-only event will compile the best of the best from the past two decades of original shows staged by everyone's favorite all-lawyer theatre company. Featuring both live performances and video taped highlights, Night Court Twenty will include special appearances by past performers, a sneak preview of coming attractions and, like any Night Court show, plenty of surprises.
