

B.C. Elmore Middle School Tutor Volunteer Form

As a nation, we need to prepare young people to work and live in the realities of today's world. By becoming a tutor, you are making an important conscious decision and a commitment that will carry with it benefits beyond those you will expect.

- Tutor 6th grade students at B. C. Elmore Middle School for one hour on Wednesdays (starting in October).
- Advise student(s) on study techniques and help them become independent learners.
- Conduct conversations that promote a student's thinking about the subject, not simply listening and accepting.
- Become familiar with the learning goals of your student.
- Tutors should have the ability to communicate effectively and sensitively, and be able to respect and understand the needs of students.
- Tutors should have the ability to establish a trusting and positive working relationship with students.
